INQUIRY

Institute of Geological Sciences of the Polish Academy of Sciences, Warsaw - Wrocław Research Centre kindly invites to submit a price offer (using Attachment 1) in accordance with the following requirements:

1. Description of the object of contracting: *MC-ICP-MS analyses of Hf isotopes in zircons (including data processing)*

2. Extension of contract: until June 15, 2021

3. Award criteria: price 60%, experience 40%

4. Requirements:

Total number of samples: 41. Minimum analytical spots: 850.

Zircons separated from 41 rock samples prepared as the polished mounts will be provided to the Contractor by the Contracting Authority. The samples will be accompanied by the CL images of the selected grains with known U-Pb ages.

The data report should be sent in the electronic form as standard xls file (including tables listing all analytical data required for calculations of epsilon Hf and model ages). The mounts will be sent to the Contracting Authority after the termination of the contract; return of the samples will be included in the price.

The offer should include the overall price for the analyses.

5. Requirements for the Contractor:

Min. three year experience in isotope geochemistry, including Hf analyses in zircons, confirmed by several scientific articles published in high-quality journals.

6. The person authorized to communicate with Contractors: Prof. Andrzej Żelaźniewicz, pansudet@pwr.wroc.pl

7. The deadline for submitting the offer: May 12, 2021.

8. An offer should be submitted electronically at the e-mail address: pansudet@pwr.wroc.pl

This inquiry does not oblige the Institute to conclude the contract. Selection of the offer will be made in accordance with the evaluation criteria specified above.
