

Calls for application for a scholarship holder position

Funding: National Science Centre Poland, OPUS-22

Project ID: 2021/43/B/ST10/03343

Project Title: Metal migration and ore formation in the slow-spreading oceanic lithosphere: an insight from the Central Sudetic Ophiolite, Poland

Project summary on the NCN website: <https://www.ncn.gov.pl/sites/default/files/listy-rankingowe/2021-09-15okipi34a/streszczenia/539002-en.pdf>

Principal Investigator: dr Jakub Ciałęża

Application deadline: 23.11.2022

Recruitment results: 25.11.2022

Start of the scholarship: 1.12.2022

Duration of employment in the NCN project: 6 months

Remuneration: 1000 PLN/month

Location: Institute of Geological Sciences, Polish Academy of Sciences, Wrocław, Poland

We offer:

- Work in the leading geological institute in Poland
- Remuneration paid as a scholarship for the duration of the project (950 PLN/month for six months)
- Possibility to apply for additional internal and external funding to extend the time or amount of the scholarship

Requirements / Expectations:

- BSc or MSc degree in geosciences until 30.10.2022.
- Determination to pursue a scientific career in the future
- Passion for your research topic that enables you to work exceptionally hard
- Ability to work both independently and in a team.
- Experience in geological fieldwork
- Experience in petrographic description and geochemical analyses of samples
- Experience in research verified through being an author or co-author of a conference abstract.

Duties / Responsibilities:

- Collecting geological samples in the field
- Optical microscopy investigation of mafic and ultramafic rocks
- Sample preparation and geochemical analyses
- Help in purchasing items needed for the realization of the project
- Participation in the organization of scientific conferences, preparation of conference abstracts and publications

Required documents:

- A copy of the **bachelor's or master's diploma**.
- Confirmation that the candidate is currently a student/Ph.D. student
- A **list of the university marks** obtained during the first or second-degree studies
- A **curriculum vitae** completed with information about the education and employment career

Form of submitting documents:

Applications should be submitted by 23.11.2022 to the principal investigator of the project, Dr. Jakub Ciałęża, via e-mail: j.ciazela@twarda.pan.pl. For any additional information, please contact Jakub Ciałęża.
